

Church Council Meeting Highlights

September 16, 2021

- Work is being done to update signs on our church to 'Central Church.'
- Rev. Abbott is beginning a sermon series starting with the Book of James which will take us to Advent.
- There is termite damage around most window frames in the downstairs Sunday School rooms. David met with Steve's Pest Control, and they will get the termites under control first, then assess the damage and repairs.
- As soon as the roof contract is signed, they will start reviewing and submitting orders for materials. Material availability will depend on when actual repairs can begin.
- The new website is working for Central Church.
- Work for the 2022 budget has started. The General Fund is doing well.
- Shirley Klein has been working with the choir. They have been practicing as well as the Bell Choir.
- Rev. Abbott has started to go with congregants who take communion to shut-ins when possible.
- There is a plan to have suggestion boxes for suggestions or requests people have.
- The KC Wolf event has been postponed at this time.
- Festival of Sharing kits will be taken to Tipton September 25th.
- More Sunday School teachers are needed. Please contact Jeanie Woodward if you can help.

Respectfully Submitted,

Joyce Mutert

Council Secretary
